

Experian Employer Services Verification

Hello,

Deployed Resources uses *Experian Employer Services* to provide a better way to obtain proof of employment and income for current or former employees.

To request a verification, go to www.experianverify.com and submit your request online. The employer is: **Deployed Resources, LLC**.

If you are a government or social service verifier, please submit your request online free of charge at www.experianverify.com or via email to verify@experian.com or by fax 404-829-1336

All other requests must be submitted online. If wage information is needed, a copy of the employee signed authorization is required. You will be prompted during the request process to upload or fax the authorization form to *Experian Employer Services*

If you need assistance, contact *Experian Employer Services* Customer Support at 404.382.5400 or e-mail verify.support@experian.com.
